

# Hard waste/branch and prunings collection dates/map

## About the map

Check the map to find out which area you are in and your collection day. Please ensure you place your items out on the nature strip the night before your collection.

## About the tables

Check the tables below to find out when your hard waste and branch and prunings collections will take place and mark the line with a tick. You may also wish to write a reminder note in the relevant month page and in your personal diary.

Place your bundled items out on the nature strip on the Sunday night before your collection week. There is no need to call Council – your items will be collected sometime during the week of your collection.

If you have any questions about your collections, call 9243 8888 for more explanations.

Check out the next pages in this calendar for information about hard waste and branch and prunings do's and don'ts.
