

3 year-old Kindergarten Registration Application Form 2019

First round closing date: 31 August 2018

Please refer to the 3 Year Old Kindergarten Central Registration Service Family Handbook for more information on the registration process which can be found online at mvcc.vic.gov.au/kinder

All sections of this form must be completed. Failing to do so may result in Council being unable to process your registration with the form returned to you. The \$35 registration fee must also be paid to enable your form to be processed which can be paid online or in person at the Civic Centre.

Children who turn three years of age between 1 January and 30 April 2019 cannot start a program until they have turned three. If your child is allocated a place but is not yet three years old, fees are still payable for the whole program in order to keep your child's place at the service, even if your child does not attend the entire year. If this applies to your child an orientation program will be developed in consultation with your three year old teacher to assist in a smooth transition to kindergarten.

Please inform the Central Registration Service immediately of any changes to this information by sending an email to kinderenrol@mvcc.vic.gov.au e.g. new address, telephone number/s, etc.
